Genetic testing issues land in primary care practices
With more patients asking about such tests, experts say primary care
doctors will lead the genomic medicine revolution. [http://www.ama-
assn.org/amednews/2004/11/08/hl111108.htm](http://www.ama-assn.org/amednews/2004/11/08/hl111108.htm)

Blues plan sues physicians who won't join network
Antitrust attorneys are watching the Montana case closely to see if the
dispute breaks new legal ground in managed care negotiations and
physician-hospital contracting. [http://www.ama-
assn.org/amednews/2004/11/08/bil21108.htm](http://www.ama-assn.org/amednews/2004/11/08/bil21108.htm)
